Day 4

Casino - Roma Street Station

Saturday

B Enjoy your last Breakfast on board with us this morning at the Old Casino Railway Station. Today you leave the *Aurora Australis* and board Heritage Rail Cars heading towards the border and into Queensland. Similar to the Rail Car you travelled on yesterday in Byron Bay, these self propelled vintage trains are as cute as a button! As part of your journey today you will traverse the Border Loop Spiral and tunnels, where the railway climbs 30 metres without making any forward progress. We hope you enjoy spending time on these rail cars today as you take the last leg of your North Coast Rail Tour with us.

Due to the limited capacity of the Heritage Rail Cars, there will be an early and late departure from Casino.

The early departure from Casino will enjoy an afternoon guided tour in the Queensland Capital, Brisbane.

The late departure from Casino will spend the morning exploring the vibrant regional centre of Lismore, home to one of NSW's most artistic communities, full of performers, painters, poets and musicians.

Concluding at Roma Street Station at 5:00pm, it's time to say goodbye to your Vintage Rail Journeys crew as you either head home or to your next adventure in sunny Queensland.
