2021-2022 GUIDED HOLIDAYS

 **FIRST CHOICE** 5-21 day Fully Curated Experiences **From page 24**

 **BEST BUYS** 3-15 day Flexible Guided Holidays **From page 56**

Dear Traveller,

As CEO of AAT Kings, I am writing to share some thoughts I hope will be helpful as you review this brochure and consider your travel plans for 2021.

All of us at AAT Kings are in the business of turning travellers' dreams into reality, delivering great service and value each time. Throughout the one hundred years since our founder, Solomon Tollman, started our parent company The Travel Corporation (TTC), we have done just that, year after year. It is why we exist. However, this past year, the reality of a global pandemic has interrupted our collective travel dreams in unprecedented ways.

Now, as we look to travel in 2021, we are beginning to let ourselves dream again – starting with the brochure you have received today. As you do so, we wish to personally assure you that all of us at AAT Kings are **intensely** focused on the realities of travel in this new era. On behalf of AAT Kings, we want you to know that your wellbeing is and will always be our top priority. While this has always been the case, we have spent these past months working hard to bring this care to an entirely new level, developing policies and protocols that will allow you to book your journey and **travel with complete comfort and peace of mind.**

To read about our ongoing financial strength, improved booking policies, new flexible change options and more, please visit aatkings.com/book-with-confidence. During your travels, you will see many steps and innovations designed to do all we can to ensure your health and wellbeing when travelling on one of our trips. You can read about some of these innovations on our website at aatkings.com/wellbeing. We are constantly updating this information to keep you informed about all we are doing to better meet your needs and expectations.

If you have travelled with us before, you will know that we deeply believe that we must all work to **make travel matter**, and you may have also learned of some of the meaningful, fantastic work being done by our foundation, TreadRight. As we begin to rediscover the world in 2021, our travels will matter even more. With about ten percent of the world's economy supported by travel

and tourism, the pandemic has had a terrible impact on tourism communities around the world. As we return this year and in the years to come, we will all be playing a crucial role in helping heal and rebuild these communities. At AAT Kings, we are committed to making our travel matter and are proud to support local wildlife projects such as the Australia Zoo Wildlife Warriors' Koala Hospital, the National Kiwi Hatchery Aotearoa in Rotorua and the University of Tasmania's Save the Tasmanian Devil Appeal. We are also passionate about helping local Indigenous communities thrive and offer a multitude of immersive Indigenous experiences on our range of holidays.

While our parent company TTC is a large, financially secure and strong organisation with numerous travel and hospitality brands, we are, first and foremost, a family business, now in our fourth generation. Our balance sheet remains very strong, and at a time when other companies in the industry have gone out of business or may in the near future because of the intense financial pressures we're all facing, we can assure you that we are not going anywhere. Because we are a family business, we take your concerns very personally. Thus if you have any questions, comments or feedback, I invite you to contact me personally, either before, during, or after your journey at mfuller@aatkings.com.au. I will be sure to respond promptly.

With that, I invite you to enjoy discovering our spectacular range of holiday experiences in this brochure and let your travel dreams come alive – knowing that we are keeping a very close watch on reality, and stand ready to serve you.

Sincerely,

Matt Fuller

MAKING TRAVEL MATTER

Travel is a gift. It opens our eyes to unique cultures and the spellbinding beauty of the natural world. But with this gift comes a responsibility – to protect the world as we know it.

AAT Kings and Inspiring Journeys partner with The TreadRight Foundation, a not-for-profit organisation focused on promoting sustainable tourism. As a joint initiative between The Travel Corporation's family of brands, the TreadRight mission is clear; to have a positive impact on the people and communities we visit, to protect wildlife and marine life, and to care for the planet we call home.

When you holiday with AAT Kings and Inspiring Journeys, our pledge to Make Travel Matter is our commitment to protect the people and wildlife we interact with and the planet we share. Our itineraries include a range of experiences that are sustainable, culturally sensitive and help to fund local projects that benefit People, Planet and Wildlife.

PEOPLE

Supporting Communities & Cultures

We are committed to encouraging the cultures, traditions and arts of the communities we visit to thrive. We do this through our support of Indigenous businesses, such as the Pudukul Aboriginal cultural experience on AAT Kings' NT Explorer, and community based tourism initiatives that build positive futures for community members and their families.

PLANET

Sustainability & Conservation

Together with The Travel Corporation, we are dedicated to removing as many unnecessary single use plastics as possible from our supply chains in our holidays and experiences delivered in Australia and New Zealand. We continue to reduce most unnecessary single use plastics within all AAT Kings operations and offices.

WILDLIFE

Protection & Awareness

Here in Australia we've partnered with the University of Tasmania in its Save the Tasmanian Devil Programme – the vaccine programme to reduce the threat of extinction of the Tasmanian devil due to Devil Facial Tumour Disease.

“ **Exceptional – wouldn't hesitate to go with AAT Kings again!**

The driver and tour guide were exceptional as was the quality of the whole tour. We didn't have to touch our luggage for the entire trip and the information we were given was fantastic. Friends did a drive-yourself at the same time as us and didn't learn nearly as much as we did. The bus was always very clean and the quality of our accommodation was great. We loved the group we toured with as well.

Later today check in to your hotel and enjoy the afternoon and evening at leisure. **Hotel: Grand Chancellor (Harbour View Room), 3 nights. B**

Lose yourself in the labyrinth of laneways in the heart of Melbourne.

Take in historical Parliament House followed by a moving visit to the Australian War Memorial, led by your specialist guide.

Well-preserved Beechworth has reinvented itself as a popular historical town and tourist destination.

As this holiday departs at 7.30am from the Vibe Hotel Sydney, accommodation will need to be pre-booked for the previous night.

1 Sydney – Canberra

Depart Sydney this morning and travel through the rolling hills and verdant pastures of the Southern Highlands. Pause at historic Berrima, then visit Gold Creek Station to meet Craig Starr and his family for a Welcome Reception. Gain a deeper understanding of life on his farm as you savour the flavours of a Be My Guest Aussie BBQ lunch. On arrival in Canberra you'll join a local guide for a tour of Parliament House, then visit the impressive Australian War Memorial. Before you depart, you'll hear an evocative lament being played paying tribute to the Australian servicemen and women who have lost their lives in armed conflicts. Get to know your Travel Director and fellow travellers tonight over dinner. **Hotel: Crowne Plaza. BG DW**

2 Canberra – Wangaratta

Before leaving the nation's capital this morning, drive to the summit of Mt. Ainslie to experience panoramic views of the city and surrounds. Cross the mighty Murray River into Victoria to historic Beechworth, Victoria's best-preserved gold-rush town. It's here that the inner city's true nature resides, crammed into narrow lanes with world-renowned restaurants, bars and street art. Or if you would like to see something famous then why not take a tour to Summerland Beach on Phillip Island to witness the Penguin Parade, the nightly ritual where the little penguins emerge from the sea and waddle up the beach to their dune burrows. **B**

✂ This morning, meet Manuel Pamkal to share his passion for the rich traditional culture into which he was born. There is the opportunity to purchase some local Indigenous art. ✂ Later, sit back and relax in tranquil surroundings as you cruise on Katherine Gorge. A series of thirteen deep gorges carved through ancient rock, there are many Aboriginal paintings on the sandstone walls throughout the system, some of which are thousands of years old. Discover the history and culture of the Jawoyn people, the traditional owners of Nitmiluk, as you explore the magnificent gorges with a backdrop of stunning rock-faces that change colour with the setting of the sun. Keep an eye out for freshwater crocodiles nesting along the banks. ✂ This evening, consider the optional experience of the Stockman's Bush Dinner under the stars. **B**

4 Katherine – Kakadu

Before leaving the site, climb to the top of a nearby rocky outcrop for superb views over the floodplains and escarpment country. Celebrate your Top End journey this evening at a Farewell Dinner with your Travel Director and new-found friends. **B FD**

6 Farewell from Darwin

Leave Kakadu this morning to return to Darwin. Keep an eye on the murky river crossings to see if you can spot saltwater crocodiles. Your final stop is Fogg Dam, a birdwatcher's paradise. Travel through the picturesque coastal townships of Burnie and Penguin, where you'll stop for morning tea and have the opportunity to join AAT Kings in the '10 Pieces' sustainability programme, whereby you find and dispose of 10 pieces of litter, leaving the environment and the communities that you visit in a more pristine condition than how you found them. Continue to Ulverstone before heading inland to Sheffield, home to over 60 murals depicting the area's rich history. You'll learn about dairy production methods and indulge in a cheese tasting at the award-winning Ashgrove Tasmanian Farm on your way to Launceston, Tasmania's 'northern capital'. **Hotel: Best Western Plus. B**

6 Farewell from Launceston

This morning, visit the unique natural formation of the Cataract Gorge, home to the longest single-span chairlift in the world, followed by an orientation tour of the city. Say farewell to your new-found friends as your exploration of Tasmania's wilderness comes to an end at midday. **B**

EXTEND YOUR HOLIDAY

Bruny Island Traveller

If you would like to spend more time in Hobart to immerse yourself in the local flavours of the city, why not book extra nights' accommodation before your guided holiday? Explore spectacular landscapes and gourmet local produce on Bruny Island. This is a delicious day out where every course on the menu is a stop on your journey. Visit the home of Bruny Island's cheese, oysters, fudge, honey, wine and whisky to savour their produce and hear the stories behind the harvest. At every stop sit back, relax and enjoy a fully-inclusive experience. Throughout the day you'll see incredible scenery. Take a stroll and leave your footprints in the sand of a deserted beach. The light bush of the northern island gives way to the dense rainforest of the south - this pristine wilderness is home to diverse wildlife including rare white wallabies. Travel with a local guide, who will show you the very best of what the island has to offer.

We recommend you book your accommodation and optional experience at the same time as your holiday.
